SPECIAL NOTES

Please DO NOT label any materials with your child's name. All of our supplies become community property, as we use them for several different activities throughout the day.

Please DO NOT purchase pencils, crayon boxes, or scissors. I already have these materials in the classroom.

If your child is left-handed, then I am requesting you purchase their scissors. You may write their name on them.

We send home rest blankets, pillows, and coverings every two weeks for washing. Please be prompt when returning them the following Monday.

Please DO NOT forget to send the requested changes of clothing.

We are still young, and accidents sometimes happen. These do not have to be the school uniform. They can be any appropriate choice of clothing.

Thank you for your cooperation! It is going to be a wonderful year working with you and your child.
